Windows 11

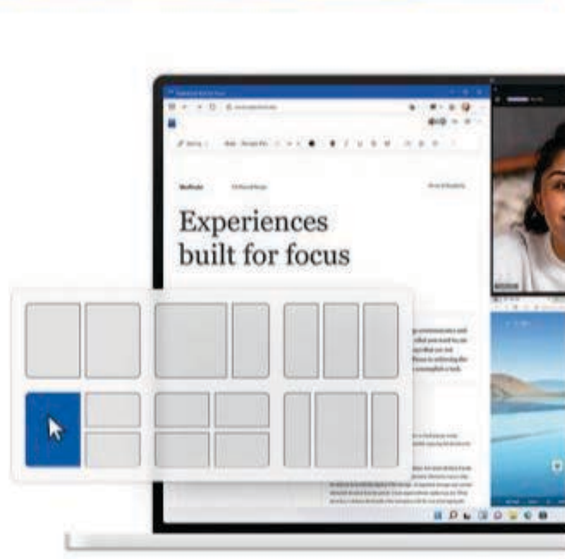
A new Windows experience, bringing you closer to the people and things you love.

New ways to connect

Connect instantly to the people you care about right from your desktop with Microsoft Teams. Call or chat for free—no matter what device they're on.

Your content, curated by you

With Microsoft Edge and a multitude of Widgets you can choose from, you can quickly stay up to date with the news, information, and entertainment that matters most to you.2 Easily find the apps you need and the programmes you love to watch in the new Microsoft Store.



Maximise your productivity

Access all the apps you need and multi-task with ease with tools like Snap layouts, Desktops, and a new more-intuitive redocking experience.

ENTERPRISE & DATACENTER SERVER RANGE

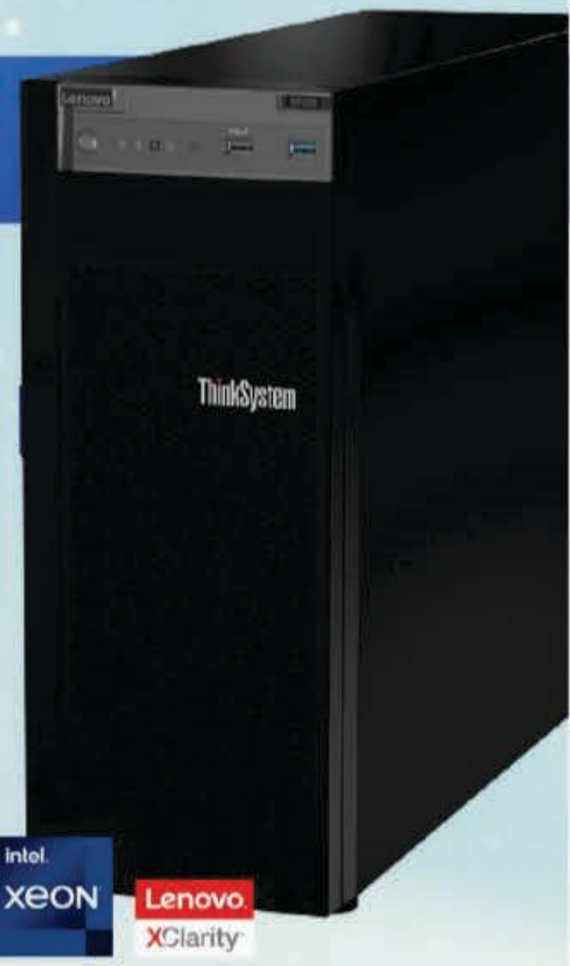
Lenovo ThinkSystem ST50

The optimal first server, powerful yet affordable

- Latest Intel® Xeon® E-2200 processor family
- Faster TruDDR4 2666MHz - Up to 64GB capacity
- Up to 4x 3.5-inch HDD bays supporting hybrid HDD and SSD configurations
- Compact, affordable, entry tower optimised for SMB, remote/branch offices, and small/home offices.
- Easy setup, firmware and remote server management with the latest Intel Active Management Technology Small tower form factor
-

Configure from **$1,999**

Lenovo ThinkSystem ST250



Enterprise quality tower server for ROBO

- Latest Intel® Xeon® E-2200 processor family
- Up to 128GB TruDDR4 memory at 2666MHz
- Enterprise storage options with up to 16x 2.5" or 8x 3.5" hot-swap drive bays and support for M.2 SATA boot Integrated systems management with Lenovo XClarity
- 4U chassis with optional rack-mount kit and redundant
- power supplies Ideal server for small-to-medium-sized businesses
- looking for enterprise-level power

Configure from **$2,899**

Lenovo ThinkSystem SR250

Efficient enterprise power in an affordable 1U form factor

- Latest Intel® Xeon® E-2200 processor family
- Up to 128GB TruDDR4 memory at 2666MHz
- Flexible enterprise storage options with either 2.5" or 3.5" hot-swap drive bays and support for M.2 SATA boot
- 1U rack optimised chassis with optional redundant power supplies
- Lenovo XClarity management for easy enterprise management

Configure from **$2,899**

Lenovo ThinkSystem ST550

Enterprise quality tower server for ROBO

- Dual Socket system supporting 2nd Gen Intel® Xeon® Scalable Processors
- Up to 768GB TruDDR4 Registered DIMMS in 12 DIMM slots (6 DIMM slots per processor)
- Storage options with up to 16x 2.5" or 8x 3.5" hot-swap drive bays, plus up to 4x 2.5" and 2x internal M.2 boot
- Integrated systems management with Lenovo XClarity
- 4U chassis with optional rack-mount kit and redundant power supplies.

Configure from **$4,599**

Offers and prices are available until 31/12/2021 or until stocks last. Details correct at time of printing. We reserve the right to correct errors/or misprints and to change product specifications. Stocks may vary from store to store. Delivery may be slightly longer in some country areas due to courier delays. Freight charges may apply in some country areas. Onsite Warranty only covers systems (excludes peripherals and software). 12-24 months return base warranty on notebooks, extended warranty available. 12 month warranty on batteries in notebooks and tablets. Prices may subject to change without notice. E&EO. Pictures are only for illustrative purposes. Supplied product may appear different. Actual colours may vary slightly to printed colour. Accessories are for display purposes only and are not included unless specifically nominated. All products are advertised in good faith and will be available except in circumstances beyond our control. Despite our careful planning, we apologise if selected items may sell out quickly due to unexpected high demand. Intel NUC's are barebone units only and require storage and memory to be added.
